Dear Parent/Guardian of a SBRHS Winter Percussion Ensemble,

It is very important that all students make all rehearsals to give the entire ensemble the best chance to develop their best performance at each competition; which is why we set the schedule far in advance. Penalties for unexcused absences and less than two-week, written parental notification of absences are listed in the Music Department Handbook. One person unexpectedly missing during a rehearsal can cost the ensemble hours in review during the next rehearsal due to the nature of writing drill, routines and memorizing music. However, I understand when emergencies, major family-scheduled events and/or doctor's appointments are unavoidable. I do ask that in all circumstances other than emergencies, that you inform the staff two-weeks prior to the absence. Provided below is a form in order for your convenience in preparing notification, which will also make absences easier to process for me. Thank you for your understanding and support of this valuable program.
